The Wizard of Oz

We thoroughly enjoyed our excursion to the Hunter School of the Performing Arts last Thursday to watch 'The Wizard of Oz'. The show was very impressive and our students enjoyed singing along to the songs. Here is what some of the students in 2/6 had to say about the show:

Imogen: The 'Wizard of Oz' was fun because the dancers were fantastic and so was the witch.

Ally: Oz was cool, they were great actors and it was fun!

Naomi: The 'Wizard of Oz' was the best because the singers were amazing!

Blake: The actors were really great and the dog was really, really, really cute!

Tayisha: 'The Wizard of Oz' was very good. All of the actors did a really good job. They had lots of songs, but my favourite was 'Over the Rainbow'.

Phoebe: 'The Wizard of Oz' was the best because the dancers were awesome and the characters were dramatic. The singers were amazing and I liked it when the actors came off the stage into the audience.

James: I liked the show because the finale was loud and they had good costumes.
