Super Storm

Thank you to everyone who helped out with the checking of the school, clean-up, support, hot water, food, phone calls, texts, information and attendance at the ANZAC Day Dawn Service under such difficult conditions. Parents have freely donated their time, equipment, paid for phone calls, texts and photos out of their own pockets. The staff have been very touched and appreciate the efforts from everyone getting our wonderful school back up and running.

Thank you so much.

School A.N.Z.A.C. Service

Thank you to everyone who attended our school service today. The students did a wonderful job and enjoyed dressing up. Our school captains Jai and Phoebe did an excellent job running the ceremony. I would especially like to thank the parents who made such a great effort with the uniforms under such difficult conditions. The pictures paint a thousand words.

The Great Big Science Show

On Tuesday of week 10 last term we had the pleasure of watching Mitch from Kaleidoscope Science teach us a little bit about science. Through science, Mitch kept everyone entertained as his experiments made things fizz, bang and pop throughout the show as well as a big colourful explosion at the end. All students (and teachers) really enjoyed the show and would like to say a **BIG THANK YOU** to Mitch.
