## Virtues for Week Eight and Nine

This week our virtue is **Respect**. We show **respect** by speaking and acting with courtesy. We treat others with dignity and honour the rules of our family, school and nation. When you respect yourself, others will respect you.

The virtue next week is **Patience**. **Patience** is quiet hope and trust that things will turn out right. You wait without complaining. You are tolerant and accepting of difficulties and mistakes. You picture the end in the beginning and persevere to meet your goals. Patience is a commitment to the future.
