Attendance Rewards

Students who have had a full week of attendance last week went into the draw for various prizes. Well done to Ally, Abby, Jayden and Summer. This is thanks to the P&C who organised these donations to support our students at school and in their learning!

Home Reading

Well done to all those students who have been doing their home reading and receiving their rewards. We can see a huge improvement in their reading! Over the holidays students will have the opportunity to earn 5 extra nights of reading. Students can read any text they have at home and can colour in the last 5 faces on their Reading Log. When we return to school after the holidays, please bring your folder and log back to school.

Soccer News - Northern Football Club Soccer Gala Day

We are thrilled to share some great feedback from the recent Northern Football Club Soccer Gala Day held at Kurri Kurri. Our students showcased their remarkable sportsmanship and teamwork, representing our school with pride and enthusiasm.

We would also like to thank the parents who generously contributed their time and support to make this event possible. From transporting students to helping set up and pack away the school awning, your assistance was invaluable and greatly appreciated.

Let's continue to encourage and support our students in their sporting endeavours. Together, we can nurture a culture of teamwork, resilience, and sportsmanship that will inspire future generations of Millers Forest Public School students.

Once again, congratulations to all our participants and thank you to our supportive parents.
